Equipping Global Leaders for the 21st Century

**A Message from
Dr. Michael T. McKinney,
President**

“He is Faithful that Promised,” Heb. 10:23

Fulfilling God’s Promise with a Spirit of Excellence. The harvest is great and the laborers are few. It is almost impossible for those who are divinely called to ministry to take time off and away from churches and responsibilities to pursue the dream of completing a Theological education. This is why I am so excited about the opportunity God has placed in our hands.

As a full-time Christian minister and/or worker you can now achieve your dream of an EARNED DEGREE through Promise Christian University (Promise - PCU). Promise was founded to offer classroom, external and online study instruction. Promise offers you the opportunity to earn your degree in Ministry, Religious Studies and Theology. In addition, Promise, accepts transfer units from both accredited and non-accredited Bible colleges, schools and seminaries. Promise will consider Life Experience for those of you who have been in the ministry for a minimum of 5 years.

It is my belief that the man/woman of God must be thoroughly furnished and equipped to meet the on-going challenges of ministering in an age of technological advances. Even with all these advances, with the foundational truth of God’s divine plan and purpose for your life and ministry you can continue on your journey to your divine destination. Promise Christian University wants to be a part of that journey by helping you to grow in leadership capability and potential. Give us a call. In no time at all, it will be graduation time

MISSION AND PURPOSE

“Equipping Current and Future Global Christian Leaders with the Knowledge and Skills to Impact the 21st Century in Ministry and the Marketplace.”

The specific purpose of this institution is to train men and women for leadership in the ministry and in the marketplace with the mission of spreading the gospel of Jesus Christ to all nations in the world. This is accomplished by providing you with academic, spiritual and moral instruction leading to an earned degree that will enhance your knowledge and ability in the Word of God and at the same time give you practical tools you can implement in the ministry where God has called you.

The foundation of Promise Christian University, College and Seminary was laid by Drs. Michael and Adelle McKinney with the training of Pastors and Ministry leaders in 1998-2002 through their Pastors Network based educational institution, Valley International Christian Seminary. In 2002, Promise Christian University was officially incorporated under World for Jesus International Christian Center and Ministries established in 1988 as their school for the preparation of men and women for ministry. Since that time, 646 students have graduated from 21 countries (Canada, Australia, Philippines, Malaysia, Myanmar, Korea, India, Denmark, Sweden, Kenya, Netherlands, Nigeria, Sierra Leone, Tanzania, Zimbabwe, Thailand, Democratic Rep. of Congo, South Africa, USA, Switzerland and Cameroon) and are now working as pastors, professors, teachers, evangelists, missionaries, administrators, counselors, and para-church ministry directors and marketplace leaders.

Promise Christian University, composed of the undergraduate and graduate schools, began with the vision of training men and women to become Christian Leaders in their generation in all areas of Christian ministry. Today that vision is to prepare men and women for Christian leadership in all areas of life.

THE UNDERGRADUATE DEGREE PROGRAM

The Associate and Bachelors programs provide academic, spiritual and ethical training in four areas of study:

The School of Ministry and Biblical Studies are producing men and women who are qualified and ready to pursue a career in ministry as pastors, evangelists, missionaries and/or in the marketplace with an emphasis on Pastoral and Christian Ministry, Evangelism, Missions, Chaplancy, New and Old Testament Studies and Ministry in the Marketplace. Students receive a quality biblical foundation and are introduced to innovative new ways of reaching, teaching and training disciples.

The School of Theology offers advanced degrees and training with an emphasis on Christian Education, with emphasis in specific fields of study for those contemplating a ministry in teaching at college level.

The School of Christian and Marketplace Leadership

The Christian Leadership program emphasizes a course of study that includes: Leadership, Ethics, Practical Business Methods, Marketing from a Biblical and Christian perspective.

The School of Missions emphasizes reaching people groups located in different areas of the world through church planting, discipleship training, mass evangelism and methods of communication through Biblical Studies. The day of the missionary is not over, and there are many new and exciting methods that can be utilized to reach the unreached. Students can strategize new methods of missions and evangelism outside of the box as special guests speakers are invited from time to time to share innovative proven methods of reach people in every culture.

Through Biblical studies, students are given a solid foundation in the word of God and the tools they need to implement God's word and His calling in their lives in their chosen vocation and ministry.

Promise Governance Institute (2023) is offering courses geared to Christians who are serving in traditionally secular areas of culture. All courses have Biblical foundations and are designed to give students the tools needed to be effective ambassadors for Christ whether serving in the church, as chaplains, on the field as missionaries, in government or business. The Promise Governance Institute

hosts Leadership Networking Conference once or twice a year in the USA and other nations as God opens the door.

External Study and Online Program. Promise offers this course of study for students who enjoy independent study. Curriculum, course outline and work are delivered via the internet/email. Students complete assignments and are mentored by a facilitator. Classes begin on Monday mornings and all assignments are usually due by the following Sunday evening. Busy pastors who work more than 40 hours in ministry must and should have the opportunity to complete their earned degree with a convenient program of study that does not conflict with their ministry schedule. The Online and External Program designed to meet that need.

Life Experience. Promise believes that men and women who have been in full-time Christian ministry for a minimum of 5 years have already been studying and developing life long learning skills which are helping them to be successful in ministry. They should be recognized for the work they have already achieved, such as curriculum development and accomplishments in ministry, by being awarded Life Experience credit for accomplishing non-traditional study.

With these goals in mind, Promise Christian University is committed to:

- **Excellence in Education.** Our goal is to train students to become competent in the Word of God and able to translate that into teaching, preaching and reaching the next generation.
- **Excellence in Ministry.** We believe that every individual has a divine call of God upon their lives. Our goal is to strengthen that calling, equip men and women with knowledge, encourage character development and demand integrity.
- **Excellence in Leadership.** Promise Christian University is dedicated to raising and training men and women not only academically, and with an understanding of the supernatural, but men and women of integrity and character. We believe “righteousness exalts a nation,” and “Blessed is the nation whose God is the Lord.”

ABOUT OUR COLLEGE AND SEMINARY

Promise Christian University is an inter-denominational school for biblical and theological training under World for Jesus International Christian Center and Ministries, a worldwide ministry operating as a federally tax-exempt religious organization under the laws of the State of California, IRS Code Section 501(c) (3); and the Pastors Network, Inc. an international association of pastors, evangelists, missionaries and Christian leaders and the Network of Churches and Ministries, a fellowship of churches, ministry and marketplace ministries.

ABOUT OUR PROGRAM

Promise Christian University is aware of the need for advanced educational degrees in all areas of Christian Ministry and is also cognizant of the fact that most full-time Christian Ministers and Workers are unable to leave their field of work for the time necessary to earn a traditional degree. ***Promise Christian University is the answer.***

Degree completion candidates are individually evaluated based on life and ministerial experience, courses of study completed in accredited and non-accredited learning facilities and they are given credit for courses

already completed.

For full-time Pastors, Evangelists, Missionaries and Teachers an Equivalency Test is available for credit towards a Bachelor of Religious Studies and Ministry majors. A copy of the student's official transcripts from other institutions of learning along with evidence of the student's life experience in the Ministry should accompany a student's inquiry to the extension and accelerated program. Every application will be given serious consideration based on the merit of the individual's level of training and life experience.

A two-year basic core course of study is required for all students. The degree completion programs are designed according to each student's previous training, life experience and program selected. The external course of study follows the same strict guidelines of academic excellence as the resident programs maintain. Students progress at their own pace. However, each course must be completed within 6 (six) months of enrollment. An extension may be requested with an added fee. Each classroom course includes 24-30 hours of instruction, PLUS an additional 24-30 hours of homework and reading. A written exam and/or writing assignments may be required..

Students should belong to a church affiliated with one of our network churches and/or recommended by one of our network members.

ABOUT OUR ACCREDITATION

In 2002, Promise Christian University was registered with the Bureau for Post-Secondary and Vocational Education (BPPVE) in the State of California and was granted a religious exemption. PERSONAL MINISTRY REQUIREMENT FOR UNDERGRADUATE STUDENTS

Personal Ministry Formation serves to develop the Christian character, practical skills, and the ability to lead and serve the church and the world. Promise Christian University offers students various ways to fulfill the personal ministry requirement:

- ✓ Church attendance and service
- ✓ Weekly chapels when available
- ✓ Outreach events
- ✓ Spiritual development groups
- ✓ Vocational Mentor ship
- ✓ Internships

Personal Ministry Formation Goals

- To gain practical experience serving in a local church
- To develop your ministry skills as a volunteer or intern in ministry
- To hone relational skills using biblical principles in dealing with people
- To develop ability to relate to people from all cultures and religious backgrounds.

Ministry Requirements (Undergraduate Students)

Completion of ministry formation is a requirement for all undergraduate students at Promise Christian University. We request that all students be a part of a local church.

Requirements vary depending on each student's year in the program.

- 1) Attend Church and volunteer to serve within the church.
- 2) If not a member of a church then student must find a church to attend.
- 3) At the end of the semester a Pastors Evaluation will be sent to the pastor and a grade will be determine. Although this is a requirement, it is not mandatory. However, students enrolled in a ministry and biblical studies program must be under the supervision of a ministry, church or pastor.

Find a Church

Promise Christian University develops leaders for a lifetime of ministry. The local church is where our students put into practice what they learn in the classroom. One of the most challenging aspects of moving to a new place can be finding your new home church. For this reason we do everything we can to help students with this process. Promise Christian University will provide a list of churches where you can attend and eventually serve. Your mentor will most likely be the Senior Pastor or one of the Associate Ministers. They will be the ones to sign your required paperwork.

DOCTORAL DEGREE CANDIDATES

The Doctoral programs at Promise does not tell you what to learn or how to learn. Its purpose is to help guide you to learn what you feel led to learn for the sake of the ministry God has divinely called you to. In the past, learning institutions developed programs to impact you with their expertise and knowledge. Today, however, Promise Christian University's strategic calling is to give you the tools to help you fulfill your vision as you impact your generation for Jesus Christ.

In the past it was believed that learning came from the top down. But, learning comes from involvement, impartation, encouragement and experience on a daily basis from all sorts of events and happenings. As a K-12 student, a systems approach is the proven and best way of imparting of knowledge. As an adult, our learning comes from interactive experiences with people and situations on a daily basis.

The Doctoral Program will give students an opportunity to bring those experiences together as a group or on a one to one basis with a mentor/advisor to focus in a learning experience that will broaden their sphere of ministry and influence by

- **Experiencing a sense of significance with regards to their personal call of God**
- **Understanding the divine purpose and plan of God with regards to their ministry**

- Gaining new insight to the many different methods of reaching the lost with the message of Jesus Christ
- Finally, modeling a renewed spirituality and leadership that empowers and encourages students to continue to learn, teach and grow with a sense of authorship and contribution within the context of a church setting, or ministry setting.

THE DOCTORAL PROGRAMS

Promise Christian University offers three Doctoral programs:

- A. **Doctor of Religious Studies (a Professional Degree - 30 units and project)**
- B. **Doctor of Ministry (a Pastoral/Ministry Degree - 30 units plus 180 hours of ministry practicum and project) - Pre-requisite Masters Degree in Religious Studies, Ministry or Theology.**

The D. Min. degree program lifts you to a significantly higher level of competence in your selected form of ministry. You can choose the area of concentration that best fits your needs and interest.

- C. **Doctor of Theology (an educational and teaching degree - 60 units plus dissertation) - Pre-requisite Master of Theology degree or additional 30 Units of Biblical Studies**

Students may choose from several areas of focus.

Ministry with an emphasis on...

- A. Biblical Preaching
- B. Christian Leadership
- C. Evangelism, Missions, Church Growth
- D. Family Ministries, Counseling
- E. Spiritual Formation, Mentoring and Discipleship
- F. Counseling
- G. Other

The Doctoral programs are built upon the foundation of leadership development which emphasizes spiritual formation and New Testament studies.

Students may concentrate on an individualized program of study which focuses on specific areas of ministry or interest. It is Promise Christian University's desire to help students fulfill their life and ministry purpose by assisting them in developing expertise in their chosen field of study. STATEMENT OF FAITH. What we believe...
(INTERDENOMINATIONAL - BIBLE BASED)

We believe

...in the Holy Scriptures as originally given by God, divinely inspired, infallible, entirely trustworthy; and the supreme authority in all matters of faith and conduct...

One **God**, eternally existent in three persons, Father, Son, and Holy Spirit...

Our **Lord Jesus Christ**, God manifest in the flesh, His virgin birth, His sinless human life, His divine miracles, His vicarious and atoning death, His bodily resurrection, His ascension, His mediatorial work, and His personal return in power and glory...

The **Salvation** of lost and sinful man through the shed blood of the Lord Jesus Christ by faith apart from works, and regeneration by the Holy Spirit...

The **Holy Spirit**, by whose indwelling the believer is enabled to live a holy life, to witness and work for the Lord Jesus Christ...

The **Unity** of the Spirit of all true believers, the Church, the Body of Christ... Acts 16:5, Hebrews 10:25

The **Resurrection** of both the saved and the lost; they that are saved unto the resurrection of life, they that are lost unto the resurrection of damnation.

In the **Image of God**. "God created man in his own image. . . . male and female he created them. And God blessed them, saying: "Be fruitful and multiply; fill the earth and subdue it." (Gn 1:27 & 28)

The **Sanctity of Life** that life begins in the womb and every child has a right to life. The **Ordinance**

of Marriage as found in Genesis 2:24: "Therefore a man shall leave his father and his mother and hold fast to his wife, and they shall become one flesh."

Evangelism. We believe that soul winning is the most important responsibility of the Church. James 5:20
