A Word from Dr. Michael and Adelle McKinney

"I will work a work in your days, which ye will not believe, though it be told you." Hab. 1:5

God has called you to work the works of God. Do not let anyone's negative voice discourage or distract you. The enemy will also send those who would like you to fail. Ignore them. As Nehemiah took on the task of rebuilding the walls of Jerusalem, which seemed impossible with man, he obeyed. It was not impossible with God. Detractors were sent by the enemy but Nehemiah's response, "I cannot come down." He ignored them and continued his mission and the walls were built!

GET MOVING

When Elijah the Tishbite was instructed to let King Ahab know that because of his sins and the sins of his nation, "There shall not be dew nor rain these years, but according to my word." (1 Kings 17:1) the Lord also instructed Elijah, in verse 3&4 to "Get thee hence, and turn thee eastward, and hide thyself by the brook Cherith. And it shall be, that thou shalt drink of the brook; and I have commanded the ravens to feed thee there."

During these past two years it feels like we were sitting by the brook and God was taking care of us too. But now it is time to GET MOVING! When the brook dried up and the ravens stopped coming, the Lord said to Elijah, "Arise, get thee to Zarephath... so he arose and went Zarephath.: (1 Kings 17: 9 & 10). God was getting ready to show the people His great power through His servant Elijah. It's time to get up and get ready, for God's glory is about to be shown throughout the world, through the lives of His people, by His leadership. At Promise Christian University, after twenty years of faithfully imparting and impacting God's anointing and calling into the lives of our students, we are seeing the fruit of our work around the world for Jesus Christ.

Was it worth it to trust God through the lean and tough times, through the pandemics and Covid? Absolutely!

Rev. Sylvia Blue '03 and daughter, Claudette visiting Dr. Eric Giorgio at CCC in Dec. 2021

The Late Dr. Sylvester Blue '04 was PCU's Hebrew language teacher. He graduated from Promise Christian University in 2004 with his daughter Heather Blue '04, our first father and daughter to graduate together. What a blessing! Dr. Blue was an anointed minister in music and the Blue Family was often featured on TBN.
