Promise Governance Conference

In June of 2018, the first Promise Governance Conference was held in Ontario, California. 50 Leaders from 9 nations in Academia, Government, Business and Ministry came together to share ideas and experience in implementing policies and procedures in their for nations based on biblical values and principles found in God's Word. The theme was "Rethinking Governance for a Changing Societal Landscape," and the scripture basis was "Righteousness Exalts a Nation," Proverbs 14:34

There is no limit to what God's people can accomplish when they are in one accord in the Spirit, working together.

God is raising up Joshuas, Elijahs, Nehemiahs, Esthers, Deborahs, Stephens Peters and Pauls who are not afraid of man's opinion but are totally committed to establishing the Kingdom of God here on earth until Jesus returns.

In history there has always been a remnant of people who have chosen to be separate from the world, wholly dedicated to the calling that God has placed upon their lives.

In spite of opposition, criticisms, challenges, and misunderstanding, they are SPIRITUAL WARRIORS: W-orthy, A-noointed, R-edeeded, R-ighteous (men and women of), I-ntegrity, O-bedient, and R-eady to S-erve and fight for the God.
