To the Class of 2021

Fifty years ago, we were married on August 14, 1971. It has been an **AMAZING JOURNEY** many times into uncharted territory, but God was with us. This year we are excited because God has been doing, and is going to be doing **AMAZING THINGS** through our graduating class of 2021.

2022 is the year of Miracles. Through this two year lock-down, pandemic and uncertain times, one thing was for certain, God was with us.

To the class of 2021, you have persevered, overcome challenges, illnesses, experienced exhausting and critical times of working in hospitals, hospices and home care shut-ins, patients suffering from Covid-19. or other illness. Teachers who were locked out of the classrooms for two years managed to educate and promote their students through virtual classes and home study. Pastors valiantly kept the doors of their churches opened and the message of Jesus Christ went forth on Sundays even with a handful of members and you made it smiling and still full of vision and faith! **God has done already amazing things through the class of 2021.**

Matthew 13:46 says, "Who, when he had found **ONE PEARL** of great price, went and sold all that he had and bought it." We have found that pearl in Jesus Christ!

We gave up everything to pursue the vision and mission that God set before us and never looked back. **Now it's your turn to carry on and pursue the vision that God has given to you!**

When you are being led by God's spirit there will have peace even in the midst of a storm. And, as you trust Him, God will do the **AMAZING** and **MIRACULOUS** in your life.

So, "Arise and shine for thy light is come, and the glory of the Lord is risen upon thee. For behold the darkness shall cover the earth, and gross darkness the people, but the Lord shall arise upon thee and His glory shall be seen upon thee." Isaiah 60: 1,2 **GOD BLESS YOU ALL REAL GOOD!**

Warm greetings to PCU and 2021 graduates and friends!

We are excited to celebrate another year at PCU. With all the challenges of worldwide pandemic and domestic issues, God has brought us through to complete another chapter by His grace. The Scripture says, *"Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge Him, and He shall direct your paths"* (Proverbs 3:5, 6).

Our heavenly Father is well-able to navigate our directions with His infinite wisdom. All we have to do is follow Him closely and faithfully all the days of our lives. We commend you for your trust in Him and for your faithfulness to complete the work He has anointed and appointed you to do. Be blessed as you go forward in Him.

Sincerely,

Eric Giorgio, PCU Provost

Studying at PCU has been a blessing. Here I have learned things I never knew about Spiritual Leadership and Chaplaincy. The leadership classes are priceless and I am thankful to God for all I learned. I also thank Dr. Adele and Michelle Mckinney for teaching and guiding me throughout the program.

Editor: Pray for Pastor Joe Ingya as he contemplates a run for national office in his nation of Nigeria.

Aloha,

I greet with the traditional greetings from the islands of Hawaii. Today is the day! I'd like to extend my congratulations to the Promise Christian University Class of 2021. We've come this far by faith!

Studying here at Promise Christian University for the past 3yr years have been some of the very best and memorable years of my ministry. The professors and the courses which they teach has prepared each of us to do as 2 Timothy 2:15 states to STUDY and RIGHTFULLY DIVIDE the word of Truth. My knowledge of the word of God and my passion to share it has grown by leaps and bounds. Studying here has also challenged me and propelled me to a higher level to serve the people of God with integrity and grace.

To my fellow classmates this is the day, let's go out and reach the world for Christ.

Yours for the Journey,

Promise Christian University has meant the steadfast love of God and the manifestation of His love for me.

Through this process, His grace flowed through each instructor and the servant leadership. As I desire to sow in faith and love God provided His wisdom and faithful vessels for my journey.

It was important for me not just to go to school but to have my daily life align with my life's work. I appreciate the encouragement and opportunity to be edified in this Kingdom work. Danielle Osonduagwuike

Nineteen years ago, the vision was unveiled, God raised you as founders of Promise Christian University and its ministries beyond your prayers and your faith with your true obedience and dedication.

Indeed, “ He who promised is reliable and faithful to His word “ Hebrews 10:23

Today , we give God the honour and the glory for amazing great things He hath done to PCU . You shall continue to influence and impact the world for Jesus!

God bless you more!

Bishop Leo P. Alconga

National President, Philippines for Jesus Movement

Doctor of Humane Letters

When Dr. Benson introduced me to Promise Christian University, I found PROMISE there 18 years ago. I realized the foundation scripture, "He is Faithful that Promised," Hebrews 10:23 would signify a bright future.

The founders of Promise Christian University and the Promise Governance Institute, starting with the President and the First Lady, Dr. Michael and Dr. Adelle McKinney were amazingly welcoming, inspiring and encouraging to me which made me feel like part of the family forever.

I was focusing on five pillars, "Business, Education, Humanitarian Projects, Faith and Peace," and found these at Promise Christian University and "integrity, honesty, humility, loyalty, forgiveness and tolerance.

Dr. Benson assured me, "They will not let you down." I met Dr. Jackie Hornsby and Dr. Benson also said, "she will also not let you." At the Promise Governance Conference, I also appreciated the staff of Promise Christian University and all members of PGI who especially showed to me hospitality, grace and love.

All glory and praise be to our almighty Jehovah God and heavenly Father, my Savior Jesus Christ and the Holy Spirit who guided me all these years from the the day I was born. I thank and appreciate all my ancestors, my grandparents and parents and, globally, my childhood friends, relatives, my family, and the family of Dr. Nicholas and Eva Benson who welcomed me and took care of me when I first came to California. I also want to include so many friends, clients and business associates, teachers, professors and religious community that have helped me all these years.

We should always be prayerful and maintain our faith, inspiring, encouraging, empowering, and supporting others at all times.

As I travel worldwide, I have established that most people are not impressed by your status, education wealth or lifestyle unless your life impacts theirs by bringing hope, faith, happiness, peace and meaningful changes under worthwhile causes that will have an impact on them forever. So, let's do good to all. And let's be a loyal and true friend in both good and difficult times.

Most leaders and citizens of this world will respect, honor, love, recognize and accept us when we approach them this way. Ask them, "What can I do to be of service to and your nation. And what can we do together to make this world a better place for everyone?"

I have never known a more extraordinary person. I am grateful to Promise Christian University for the recognition of the Doctor of Humane Letters bestowed on Walter.

Walt is the epitome of a public servant and well deserving of this honor. Roderic Q. Hickman.

DOCTOR OF HUMANE LETTERS 2020 awarded in 2021

Dear Graduates,

Greetings from Malaysia In His most precious name!

Congratulations to the Class of 2021! You have demonstrated resilience in the face of unprecedented challenges of a global pandemic and have succeeded in earning a college degree. That makes your accomplishment all the sweeter! I can attest that a degree from Promise Christian University has great value.

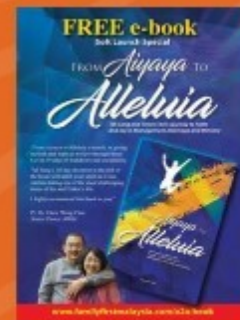

I've been a successful entrepreneur, community leader, kingdom builder and now serving as chairman of Family First Malaysia, an NGO that helps Gen Y fathers with the support of their spouses to equip them physically, mentally, spiritually and financially for better families, better workplaces, better society and a stronger nation. I also serve as a Chairman of Tyrannus Online Seminary Bhd, an associate member of ATA that offers flexible formats and allows students to remain in their current vocation to complete their degree on their own schedule with the right combination of online and on-campus courses.

I truly appreciate Promise Christian University for conferring me with an honorary doctorate degree of Humane Letters upon me on 10 Oct 2020 which is a significant birthday date of my second daughter Jehsie Tan who helped me authored my book titled "From Aiyaya to Alleluia" means finding happiness and peace in the midst of discouragement and life's challenges. Copy of my book is shown below:

As you cherish the fruits of your hard work, I wish that success keeps following you in everything that you do. Today and always... Congratulations and Happy Graduation.

DOCTOR OF DIVINITY 2020 awarded in 2021

But by the grace of God, I am what I am...(I Cor.15:10)

It is my great honor to receive the honorary Doctor of Divinity from Promise Christian University in 2020. Although I received it in Korea through Dr. Jae Won Kim (Director of Korea Study Center) due to Covid19, I was so pleased to meet all Korean alumni and I was so happy to receive many blessings from them. One of touching moment was that Dr. Michael McKinney sent a video message of congratulation for me. I and my family appreciate it so much. Once again, thank you, Dr. Michael McKinney and Dr. Adelle McKinney. I wish PCU more rising up and more becoming a strong missionary training center to preach in all nations. Thank you, PCU and I love you all.

Sarah Insoon Chung – Doctor of Divinity 2020

It was a wonderful honorary doctor award worship service at Jang Yu Ju-An Church in Gimhae city, Korea on June 27 (Sunday), 2021. Although there is restriction of attending number due to Covid 19, many Church members and guests participated in this service. The video message sent from Dr.

Michael McKinney was so impressive and all graduates appreciate your love and kind consideration. Dr. Jae Won Kim delivered a message entitled "We are soldiers of Christ". The message emphasized we are infiltrators, conquerors, and rulers as a special soldier of Christ. All PCU graduates were gathered at this place and we shared the word you gave "in all things God works for the good of those who loves Him." We all appreciate Dr. Mike & Dr. Adelle and all PCU faculty members for your love and support. May God bless you all.

Dr. Nicholas M. Benson

Dr. Benson discovered Promise Christian University through an article in the Christian Times. Since 2003, he has been an integral part of this school from the time we met in San Dimas, to a 6 x 8 office in Pasadena, to our offices in Covina, CA.

He has encouraged and stood by this university since it's infancy until now. Dr. Benson served as an Instructor, Faculty member, on the Board of Trustees, Academic Dean and VP of Academic Affairs. He was instrumental in obtaining two matriculation agreements for Promise with Hope University and California Graduate School of Theology.

His classes on Church History and Rethinking the Church will always be remembered. He also was an Alumni of Promise Christian University having graduated from one of the first classes of the Chaplains Program and received the Certificate of Chaplaincy in 2009.

He and his wife, Dr. Eva Benson have been Partners of Promise since day 1. Whenever Promise would initiate a new program or add to the vision, he was our great encourager!
