*"Look among the nations and watch - be utterly astounded! For I will work a work in your days which you would not believe, though it were told you!"
Habakkuk 1:5*

To the Class of 2022

2022 was a very unusual year. We shared in the rising cost of gasoline, food, rent, credit card interest and entertainment. Wars and rumors of war in Europe. Vaccines, limited travel, quarantines and Omicron visited many homes. But I have an announcement to make. We still have a work to do.

God told Habakkuk, **"I will work a work in your days which you would not believe, though it were told you."** In spite of the doom and gloom, our nation had a monumental break through: the overturning of Roe vs. Wade by the Supreme Court. It was an unprecedented miracle, inspired by the international prayers of God's people all over the world.

The Class of 2022 is an unusual class of graduates. You are not novices, but you are leaders with proven ministries. God has a plan and purpose for your life. If you have been in ministry 56 years like Adelle and I have been, here's news for you...it's not over yet!

God is calling His people to lead, to be a light, to be an oracle, a spokesperson, an Ambassador for Christ in our nation of America and to the world. He has given you your marching orders to Preach the Gospel, in season and out of season. with signs following. He has given you the tools to do so, social media, YouTube, Facebook. podcasts, internet TV, Tik Tok, book publishing, and musical recordings. He has made access affordable and many times free!

The world needs to hear what you have to say! You have been equipped. You have spent a lifetime equipping others. Now is the time to empower, influence and encourage the next generation to know God, to know Jesus Christ, and to break the bonds of sin and compromise that have caused God's people to miss the mark, to take the wrong path. ***It is time to return to the old paths where in is the good way.*** (Jeremiah 6:16)

Isaiah 40:3-5, ***"Prepare the way of the Lord; make straight in the desert a highway for our God. Every valley shall be exalted and every mountain and hill brought low The crooked places shall be made straight and the rough places smooth; the glory of the Lord shall be revealed, and all flesh shall see it together."***

Proverbs 21:21

*"He that followeth after righteousness and mercy
findeth life, righteousness, and honour."*

**Congratulations on the 20th anniversary of
Promise Christian University!**

I am very much proud of Dr. Michael McKinney and Dr. Adelle McKinney who have done a magnificent job in the past 20 years. Your leadership was a marvelous and a great example of Christ. Many were influenced by you to have a vision & hope to evangelize nations. You lifted up and empowered the nameless people to be great workers of Christ in each nation. It is time to lift them up to be warriors to change the world. I believe Promise Christian University will be the seminary to produce the strong soldiers of Christ, in order to fight and conquer the enemy's territory. I have confidence that PCU will declare a new victory every year. May God bless Promise Christian University. Thank you for your dedication and hard effort. Many blessings.

Congratulations Attorney Ramoncito P. Ocampo DOCTOR OF HUMANE LETTERS

Quite frankly, insofar as I am concerned and in being aware of what the Lord Jesus has done for me, I haven't really done enough for His glory, honor and praise, to earn or merit the same.

Nevertheless, this unexpected honor has given me the confirmation and recognition that somehow, by the grace and favor of God, I made a difference in the lives of the people, who has heard my preaching-proclamation of the Gospel throughout all these years. Likewise, it has afforded me the much-needed credentials to continue doing what I have started. Lastly, it has greatly infused in me a rather timely encouragement to go to the next level of proclaiming the Gospel as an Evangelist/Ambassador of the Kingdom of God while at the same time, getting involved in humanitarian works of mercy, winning precious souls in the process, diligently making disciples of them to be sent, in due time to the world as fellow Ambassadors of the kingdom as well. Together we hope to expound on the El Elyon Ministries. Key principles namely...BENEVOLENT EVANGELISM – FAITH WITH LOVE, UNITY THROUGH HUMILITY.

Greetings in the name of our Lord and Savior...Baruch HaShem.

I am both honored and privileged to be a part of this great institution, especially to begin a relationship with the McKinney's during the milestone of their 20th Anniversary of PCU. Indeed, God has blessed both PCU and the McKinney's over the years.

Here is the shortened version of my biography: 61 years an ordained minister with the Pentecostal Assemblies of God of America having served as their first Vice President and currently as a Presbyter; over 40 years as a professor of seven different fields of study with doctorates in each of those fields, plus both President and Professor Emeritus; and serve as Chaplain for the International Association of Music Ministries, Inc. (recording artist with Capitol Records on their Vision Label).

I am overjoyed for the invitation to be a part of their great teaching staff and the 20th Anniversary Graduation of PCU. May the Lord bless the next 20 years... SHALOM!!!
