

ABOUT US

In 2002, Promise Christian University (PCU) was inaugurated with the help of the Pastors Network and World for Jesus Int'l as a degree completion educational institution for Pastors and Christian Leaders.

Today Promise Christian University has a matriculation agreement with Hope International University (HIU). Graduates earning a Bachelors Degree in Ministry, Religious Studies or Theology may qualify to enroll in the Master in Ministry online program at HIU.

Promise Christian University has a matriculation agreement with the California Graduate School of Theology. This was achieved by faith in God and an uncompromised vision: **"dedication to teach a solid biblical foundation for all disciplines, the academic with the supernatural power of the Holy Spirit."**

Our students are given spiritual insight and tools to help them pursue their divine calling into ministry and/or the marketplace. **In Joshua 14:12, Caleb said, at 85 years old, "Give me this mountain."** It's never too late to pursue God's vision for your life and ministry!

Academic, Anointed, Relevant

The experienced teaching staff of Promise Christian University consists of professors and ordained ministers, who are regularly called upon to travel domestically and internationally to speak in seminars, conferences and crusades.
