

ABOUT US

In 1997, Promise Christian University (PCU) began as a degree completion school for men and women in ministry. In 2002, Promise Christian University was inaugurated with the help of the Pastors Network and World for Jesus International. Today Promise Christian University has been granted a matriculation agreement with Hope International University (HIU). Graduates earning a Bachelors Degree in Ministry, Religious Studies or Theology may qualify to enroll in the Master of Ministry online program at HIU. Promise Christian University was also granted a matriculation agreement with the California Graduate School of Theology the school that graduated some of our finest pastors such as Jack Hayford and the late James Kennedy. All this was achieved by faith in God and an uncompromised vision: ***"dedication to teach a solid biblical foundation for all disciplines, the academic with the supernatural power of the Holy Spirit."***

Our students are given spiritual insight and tools to help them pursue their divine calling into the ministry and/or the marketplace. **In Joshua 14:12, Caleb said at 85 years old, "Give me this mountain."** It's never too late to pursue God's vision for your life and ministry!

Academic, Anointed, Relevant

Promise Christian University has a great experienced teaching staff. Most of our professors have taught in other colleges and universities, are ordained in ministry, have traveled the USA and internationally, spoken in seminars, conferences and crusades.

Biblical Studies

Promise Christian University is a strong believer in using the Bible as the foundation for all disciplines, Counseling, Education, Leadership, Chaplaincy, and of course Pastoral and Marketplace ministries.

All students are required to have completed Bible Survey Old and New Testament, Life of Christ, Book of Acts, Pauline Epistles, The Holy Spirit, and Revelation in the undergraduate program.
